GRANTED STATUS OF 207 & 15B UNDER UGC ACT, 1956, GOVT. OF INDIA.

ANNUAL REPORT BY PRINCIPAL 2018 – 19

Our college was established in the year 2005. We are offering B.Tech courses in Civil, CSE, ECE and IT and post-graduation courses in M.Tech, and MBA. We are presently organizing M.Tech. courses in the specializations such as “Embedded systems & VLSI Design”, “ECE”, “Wireless and Mobile Communications”, “Transportation Engineering” and “Highway Engineering” with proper approval from AICTE and JNTUH. Our sixth batch students of B.Tech, fifth batch students of MBA and second batch students of M.Tech. are passing out this year with excellent academic performance. The college heart fully greets them for better settlement in their lives.

The infrastructural facilities such as built-up space, staff and library are meeting more than 100% norms of AICTE and JNTUH. I am thankful to the management under the valuable leadership of Shri Ch. Malla Reddy garu for providing all required facilities for the benefit of students joining in our institution. I take this opportunity to thank Col. G. Ram Reddy, Director (Admin.), Prof. R. Madan Mohan garu, Director(Academics), Shri Ch. Mahender Reddy garu, Secretary and Dr. Ch. Bhadra Reddy, Treasurer for their consistent support and encouragement in the development aspects of our college.

The value and merit of a particular institution can be assessed based on its academic performance and can be considered as the primary criteria for selecting the institution for admission. Our college, MRITS, has been consistently producing excellent academic performance. Some of the achievements of our college are given below.

Many students of our college were graced among top 30 rankers of JNT University Hyderabad in the results announced during the year 2018-2019.

- In the IV year II Sem B.Tech., CE department has produced a pass percentage of 85%, IT department 87% , CSE department 95% and ECE department 92%.
- In the II year IV semester, MBA department has produced a pass percentage of 100% and all the students have successfully left the college with post graduation degree in Business Administration with placements.
- The pass percentage of M.Tech students is 93%

Our Eleventh batch students, who left the institute during May 2019, have achieved excellent placements in highly graded companies such as Mahindra Satyam, Infosys, HCL, ISRO, IBM, TCS, Google, Yahoo, Wipro etc. Many went abroad to pursue Masters and few are continuing their higher studies in India.

I can proudly declare that our college “MRITS” is flying its flag high among the JNTUH colleges and contributing to the ever-growing academic excellence and glory of Malla Reddy Group of Institutions.

The list of toppers in each class for the academic 2018-19 are presented in the appendix 1.

- ***Our college has been RATED AMONG TOP 50 COLLEGES in our state under the category RISING STARS by the survey conducted by SAAKSHI newspaper and listed under top 20 colleges in the JNTU Hyderabad zone based on the results obtained during the recently held exams.***
- **Our college has been selected for the award of "MOST PROMISING ENGINEERING COLLEGES IN RANGAREDDY" by Brands Academy for the year 2012-13**
- **Our college has awarded "QUALITY INITIATIVE MISSION EDUCATIONAL LEADERSHIP AWARD 2013" by KRDWG, New Delhi in the category of Engineering and Technology for serving the Nation by promoting quality education**
- **Dr. K. Ravindra, Principal of our college has received QUALITY INITIATIVE MISSION EDUCATIONAL LEADERSHIP AWARD - 2013 for his outstanding contribution in the field of Electronics and Communication Engineering from KRDWG, New Delhi on 31st August 2013**
- **Our college has been identified as ZONAL CENTER BY IIT DELHI for organizing National Ethical Hacking Championship - 2014. Our college is one among 60 zonal centers across the country**
- **Our college has been identified as NODAL CENTER BY IISC BANGALORE for organizing PRAVEGYAN - 14 in the field of EMBEDDED SYSTEMS. Our college is one among 50 nodal centers across the country**

The above information confirms that our institution is the best choice for pursuing B.Tech., M.Tech., and MBA courses. This is all possible with the un-tired efforts and team work of our qualified, experienced, young, talented and dynamic faculty, staff and students. Many of our faculty members are producing 100% pass in the subjects taught by them consistently. Various faculties of our college are regularly receiving the feed back from our students and the heads of various departments are developing strategies for improving the quality of imparting various academic needs of the students for nurturing them as reliable future citizens of India.

My appreciation to all HoDs and staff in this regard.

The college has been organizing training programmes for all the students of all years of B.Tech for improving their skills in the areas of Aptitude, Soft skills and Technical problem solving. This is the pilot project taken up in this year by the college for nurturing the students to make them ready for industry.

930 students out of 1200 were placed in the last 4 years from our college in various MNCs and other companies. Prominent companies visited our college for campus placements for hiring 2019 pass outs include TECH MAHINDRA, HCL, ORACLE FINANCE SERVICES, SYNTEL, APPS Associates, NTT Data, Symantek space, MobileTech India, ICICI Prudential, TCS,. etc. More than 180 students were offered placements in the year 2019 and around 100 this year till now. Congratulations to all of them and thanks to the Training and Placement Cell Officer of our college Mr. V Ravi kumar.

Many of our students are actively participating in the technical seminars, Quizzes organized in various campuses and winning commanding prizes. A couple of examples are: Our students won prizes in the National conferences organized at IITs, NITs, JNTU and other engineering colleges etc. Further College is organizing several workshops for the benefit of staff and students Most of the final year projects were done in house by our own faculty members using existing infrastructure. Most of our faculty members have chosen for delivering guest/invited lectures at various institutions.

Congratulations to members of all teams.

In addition to the academic excellence shown by our students, they are equally excelling in sports. ***I appreciate the efforts of Mr. Venkata narayana, PD and Congratulations to the captains and team members of all sports teams.***

NSS team of our college has organized the following events during this year for the benefit of the society.

- Different teams of students started mentoring the poor children in their nearby villages including for promoting the concept of Education, sanitation and health awareness for every citizen of India. As a part of this Sanitary items have been donated to school children in **Maisammaguda** village.
- Financial Assistance has been done a **Kidney Failure candidate for surgery**
- **Distributed Clothes** to Slum area people at Balanagar, hyderabad
- **Blood donation camp** was organized and collected 300 units of blood

The CSI, ISTE and IEEE student chapters of our college had organized several technical and nontechnical activities, invited lectures from eminent academicians and industrialists to promote International grade professional exposure to students and staff of our institution.

FURCATEZ'19 - A National level Student Tech Fest was organized on during this year and received overwhelming response from the students
GRADUATION DAY was organized on 20th July 2019.

While proposing a bid fare well to all our outgoing students, I want to thank all students, parents, HoDs, Officers and Co-ordinations of various sections, faculty, technical staff, AO, office and Examination section staff for their unconditional co-operation in making all above achievements possible. My special thanks are due to the conveners and members of various committees constituted for organizing annual day celebrations and various events in the college.

Expecting better co-operation and co-ordination from all wings in future.

Dr. K. Ravindra
Principal
Malla Reddy Institute of
Technology & Science
